The friction between the line officers of the brigade, which has been growing ever since the command left Cubarcached its climar Monday and Colonel Woodward. Lieutenant Colonel Chaffin, Major Taylor, Chaplain Bousseault and Captain Good, all of company K, resigned their commissions. The exact reason which prompted them to take this action is not at present known. The cause must have been serious indeed. The resignations leave Major Charles K, Darling in command of the regiment.

"The matter has been fully reported to General Miles and a rigid investigation has been orderd. Py military lay to resign in the face of the enemy means a courtmartial."
